

ERGOTip Butterfly

Toilet/bath chair with electric height adjustment & seat tilt.

ERGOTip Butterfly

for toilet & bath etc.

What can Butterfly

ERGOTip Butterfly promotes effective hygiene and bathing routines. At the same time, it ensures a gentle working position for the helper and dignity for the citizen.

Therefore, Butterfly is indispensable:

Armrests

- Strong construction
- Adjustable angle
- Hygienic
- Stable positioning

Seat

- Ergonomically designed
- Easy handling
- Can be adjusted in two positions for increased comfort

HMI: 139405

Neck support

- Optimized for minimal space consumption and maximum adjustment

Back support

- Optimized for maximum support and comfort

Bottom frame

- Stainless material for maximum lifespan
- Easy maintenance and no use of tools
- Optimized access to lower hygiene - due to open design.
- Easier to clean due to straight and fewer surfaces

Footrests

- Sliding footrests for easy use
